### Note : I- **Detail information about the visiting sites**

(1) **Pottery House:**

People produce the pots and souvenirs from the clay as the craft and then they bring them to the kiln in the village to get them buried once or twice a month. It is a kind of family business only and the products are sold domestically.

(2) **Women Handcraft Association**

They produce the mat, the bags and other souvenirs made by Rom Peak, a kind of vine that can be found in the forest nearby. It is only the part time job that the farmers do while they are free from their field works. The products are sold domestically and sometimes to the neighbour country such as Thailand...etc.

(3) **Stone Carving House:**

Many kinds of stones are brought from the mountain in Kravanh District. Then they carved them as the sculptures, souvenirs according to the customers' requirement and sell them at their own home.

(4) **Orange Plantation**

The plantation with approximately three thousands square meters

(5) **Damnak Ampil Dam**

The Dam was established by the government's funds in September, 2006. It is built to reserve the water for cultivating the agricultural crops and preventing flood.
